LIGHTS ON FOR HUNTCLIFF!

Burglars HATE well-lit homes! If everyone would just make sure their porch lights are on each night, it makes a huge difference!

Motion-detection lights at rear doors also are a great deterrent.

BUS STOP BLUES

Keep our kids safe by:

- SLOWING DOWN
- Not parking cars on streets near bus stops
- Always be aware of your surroundings
- Did we say SLOW DOWN!

The GCPD C.O.P.S. Program
